

Why should I choose Lifestyle Realty Group

Lifestyle Realty Group office beliefs and systems.

- There are no cut throat tactics between Realtors at Lifestyle Realty Group, we function as a team to **maximize the potential of each Realtor.** Our number one focus is to deliver relevant training and mentoring that provides strategies, tactics, systems, and skill building to support you, the agent, in the growth of your business
- Lifestyle Realty Group is on the **cutting edge for technology** in the real estate industry. From the state of the art conference room with large screen hook ups for client presentations, to the latest telecommunications technology used by the entire team.

The office staff is here to assist in your success.

- Having someone to answer phone calls into the office at all times
- Entering MLS entries, visual tour, brochures and Realtor.com
- A person dedicated to website design, the business Facebook page, Realtor.com and Market Snapshot to **provide warm leads to you.**

Leadership of Owner/Broker Maria S. Wells

- 2010 President of Realtor Association of St. Lucie
- 2008 District III Vice President, Florida Realtors
- 2005 President of Martin County Realtors Association
- Board member of Florida Realtors
- Chair, Vice Chair and member of many committees at Florida Realtors
- National Association of Realtors Board of Director and Research Committee

Having this much experience, and her finger on the pulse of the local real estate market, makes Maria a beacon of information; she prides herself on guiding the Realtors that work for her. Maria is always ahead of the curve on trends in the business and imparts that knowledge to her Realtors to help maximize their earning potential.
